### A/Once Upon a Time in Cuba - History in photos

New exciting and exclusive book just released and available to order now!

"Once Upon a Time in Cuba" - by Michael Mirecki and Mitchell Orchard is a 147 page compilation of our original photograph collection of Cuba. The book has a foreword by Simon Chase of Hunters and Frankau and includes chapters on

Famous people  
The Cuban Revolution  
Pre Revolution  
Bars, Music and Cabaret  
Buena Vista Social Club  
Tobacco (of course!)  
and Sport.

Only 1000 individualily numbered hard back coffee table books will be made available.

Hardback size 9 1/2" X 9 1/2".

Once upon a time in Cuba took me on a nostalgic journey to an imagined time in Cuba. While some friends have witnessed Cuba in some of its phases, I have not. These photos tell a vivid story about Cuba over a century.

Michael and Mitchell are ideal candidates for putting together a photo book about Cuba. Having spent years in Cuba while doing photography, Michael knows the country. Mitchell is one of the most selective collectors who visits Cuba throughout the year, which he has done for many years.
